Are you graduating from school this spring or recently graduated? Are you looking for a summer internship that will stress administrative duties and management as much as on-field maintenance issues? If so, this program is for you. Our graduated student internship program helps prepare you for “the other” part of groundskeeping. You’ll be involved in day to day administrative operations of a Major League grounds department, covering everything from staff scheduling and payroll, to budget and inventory control. You will be a vital part of helping maintain Citizens Bank Park™, one of the newest stadiums in the country.

**Internship Benefits**
- Competitive wages
- Daily involvement with most aspects of department administration including staff scheduling, payroll, record keeping and crew supervision.
- Assistance with locating housing is available.
- Uniforms are provided – we supply you with everything from shirts and pants to shoes.
- Meals during games are complementary. On-site lunch is available daily.

**The Program**
The successful candidate can expect to work on all aspects of field care and department administration under the supervision of a first-class staff. From learning the basics of staff scheduling and payroll administration to maintaining proper maintenance and application records, this internship covers it all. You will be involved in all day-to-day maintenance as well, including pre-game field preparation, fertilizing, spraying, aerating, topdressing, infield grooming, mowing, and equipment maintenance. All this while working in one of the most state-of-the-art maintenance facilities in all of professional sports with some of the finest equipment available!

This is truly an advanced internship program, not just a summer job. You will have close, personal contact with the grounds staff at all times and will benefit from their years of experience and expertise. This program is open to recently graduated students of two and four year turf or horticultural/ag programs available to begin work in March 2007. The program runs until November 15, 2007.

**To Apply**
Submit a current resume, cover letter and reference list (including contact phone numbers) to the address listed below. **DEADLINE FOR APPLICATIONS IS THURSDAY, NOVEMBER 30, 2006.**

Mike Boekholder, Head Groundskeeper
The Phillies - Citizens Bank Park
One Citizens Bank Way
Philadelphia, PA 19148
